## TAID CEU'S, SEPTEMBER 9, 2011

### *Course Descriptions*

#### EPA Lead Paint Law - .1 CEU, HSW

*Paul Zuck, National President of NARI 2011*

Minimize liability by knowing your responsibilities when working with lead paint.

#### Introduction to Window Films for Architectural Applications - AIA-CPF01, IDCEC #4045 - .1 CEU, Sustainable

*Kelly Kelley, CPFilms, Inc.*

Participants will receive an extensive overview of all facets of the flat glass window film business. The pace of the presentation is kept brisk and fresh with case studies and real world applications.

#### Understanding the 2010 Accessibility Standards - .2 CEU, Barrier Free

*Marcela Abadi Rhoads, AIA RAS, Abadi Architecture*

This class will offer a graphic explanation of the technical standards for the new 2010 ADA Standards. Focus will also be given on how this affects Texas and the Texas Accessibility Standards and Interior Designers.

#### Traditional Design - .1 CEU, HSW

*Brent Hull, Hull Historical*

Based on research found in historic trade catalogs and period books, traditional interiors focuses on historic interiors and rooms explaining how they were designed, built and installed; giving designers the "how to" implement today.

#### Labor and Employment Law - .1 CEU, HSW

*John P. Hagan, Attorney, Sarles & Ouimet*

Why you should know the difference between a contractor and an employee. The IRS, the Department of Labor and the Texas Workforce Commission may have an entirely different opinion than you do as an independent interior designer or contractor.

#### A Practical Guide to Incorporating Technology into Your Next Project - IDCEC #40160 - .2 CEU, HSW

*Bill O'Conner, Dallas Sight and Sound*

Technology is everywhere - be prepared to meet your clients' growing needs and demands! Participants will be able to identify areas where technology impacts design and discuss such key areas such as value to the client, benefits of properly planned for and installed components, key elements, budgeting, best practices, and common misconceptions.
